

# Domaine Batard Langelier

## *C'est quand qu'on va où ?*

Skin-contact wine | 2023 (New cuvée)

Vin de France

100% Melon de Bourgogne | 40-year-old vines

Yields: 45 Hl/Ha

Last plots to be harvested at optimum ripeness

Predominantly Gneiss

10-day maceration with daily punching down, until fermentation is complete.

Indigenous Yeasts.

7-month ageing on fine lees in traditional glass-enameled underground tanks

This cuvée is distinguished by its refreshing bitterness and delicate tannins.

The nose is fresh with citrus aromas, therefore perfect as an aperitif or with a spicy dish.
