Formerly called **Métaphore**

Vin de France (for vintage 2021)

100% Melon de Bourgogne | 40-year-old vines

Yields: 45 Hl/Ha

Harvested early September at optimum ripeness

Predominantly Gneiss

Gentle pressing of the grape harvest with a pneumatic press. Static settling for one day and fermentation in traditional glass-enameled underground tanks.

Indigenous Yeasts.

**Healthily grown and vinified with no added sulfites. A pure, bright, tonic, and salivating wine.**

12-month ageing on fine lees with regular stirring.

Intense aromas of lemon zest, musk, peach and almond blossoms. Savoury on the palate, with hints of Greek yoghurt, lime & a rich and round texture with notes of iodine. Very complex wine.

Excellent pairing for goat's cheese.
