AOC Muscadet Sèvre & Maine

100% Melon de Bourgogne

Yields: 50 Hl/Ha

Harvested early September at optimum ripeness

Granitic arena, siliceous clay, deep soil for good vine root development

Gentle pressing with a pneumatic press. Static settling for one day and fermentation in traditional glass-enameled underground tanks. Indigenous Yeasts.

6-month ageing in traditional glass-enameled underground tanks. Bottled 1<sup>st</sup> week of March.

Characterized by exotic fruit aromas with a fine tension on the palate, a simple, juicy wine with good acidity.

Fantastic for traditional pairing with oysters.
